Food & Drink...

Prior to dining in the restaurant why not take the opportunity to relax while perusing the menu and enjoying a pre-dinner drink in our comfortable lounge bar with open log fire, or our furnished terrace and lawns during the summer months.

The Garden Restaurant offers intimate dining and as the name suggests has magnificent views of our grounds and the surrounding countryside through the large Victorian bay Window.

Capturing the feel of yesteryear with crisp linen table cloths and original features of the house, the restaurant is complemented with touches of a more modern feel from the vibrant colour of our napkins to the fine crystal glassware.

Whether you join us for Breakfast, Lunch or Dinner we have Menus to suit all tastes, from a light bar snack through to a full three or four course dinner. Our Chefs change the menu on a regular basis and source many of the fresh ingredients from local suppliers.

All the above is complimented by our wine list which boasts a choice of 40 whites, reds, rose, champagne and dessert wines.

Our professional, friendly restaurant staff look forward to welcoming you and please feel free, if there is something you would like and we can oblige, please ask.
